Description

MEET YOUR INSTRUCTOR

MRS. SHAWN DEMOSS

I would like to welcome you, the next trendsetter, to a career filled with excitement and creativity. Let me, Mrs. DeMoss, be your guide through the ever-changing world of Cosmetology. We will explore career paths, theory, and procedures together as you prepare to take your state exam. Your future waits for you to decide which path to take.

MY BACKGROUND

My journey started in high school when I decided to enroll in Cosmetology school. I obtained my Cosmetology license soon after graduating and have been building my experience ever since. I have worked in a salon and gained valuable experience in TV, film, stage, fashion, and photography.

MY PURPOSE

Teaching has always been a central part of my DNA. Teaching also allows me the flexibility to continue working as a Hair and Makeup Artist in the fashion industry. As an instructor I encourage my students to take photos of their work and begin building their portfolio. It is so important to your success, that you begin building your brand early via Instagram and/or other social media platforms.

FACTS ABOUT ME

- My work can be seen gracing the covers and pages of over 20 magazines
- My early work was featured on various television shows such as Saban's Power Rangers, Masked Rider and VR Troopers.
- I take many of my students with me to work on photoshoots, weddings, La Fashion Week, and the Miss West Coast Pageant.
- Students can view my personal body of work on IG: Makeupp_101 and our student page on IG: Cosmetologystudentwork.
