MY BACKGROUND

I began my career as a hairstylist, managing my own salon and specializing in hairstyling, management, and customer service. Over the past decade, I've focused on ensuring client satisfaction. As a Cosmetology Instructor, I now combine my experience with a passion for teaching, mentoring future professionals in the industry.

MY PURPOSE

I became a CTE instructor because I have a passion for helping others grow in their careers. There is nothing more fulfilling than watching my students develop their skills and become confident professionals in the beauty industry. At SoCal ROC, I strive to create a learning environment where my students feel supported, empowered, and ready to succeed in their careers.

FACTS ABOUT ME

- I am bilingual and enjoy working with diverse communities, using my communication skills to create strong connections with clients and students.
- I managed a salon for several years, where I not only styled hair but also learned the ins and outs of running a successful business.
- I am currently completing my Bachelor's degree in Communications, which has given me a broader perspective on effective teaching and leadership.
