Welding Instructor

Description

MEET YOUR INSTRUCTOR

MS. ADRIANA ORTIZ

Welcome future welders! Whether you're a beginner or have some welding experience, this is a space for learning, creativity, and collaboration. Get ready to develop your skills, tackle new challenges, and create something amazing! Let's make this a great experience together!

MY BACKGROUND

As a welding contractor, I have been involved in major structural steel project for a commercial buildings, to residential, and custom work. The scope included fabrication and installing steel beams, columns, and trusses. Responsibilities as a contractor/project manager on field/shop projects consist of Blueprint interpretation, Material preparation, Welding techniques, on-site installation, quality control, collaboration, and safety practices.

MY PURPOSE

I have a few reasons why I became a CTE instructor. I have a deep passion for hands-on learning and helping students develop practical skills that are directly applicable in the workforce. I believe in empowering students to take charge in their education and future careers. I want to serve as a mentor, providing guidance and support as students explore their interest and build confidence in their abilities.

FACTS ABOUT ME

- CTE Credentials, LA City Structural Steel D1.1, AWS Certification FCAW, SMAW, GMAW. Licensed Welding Contractor (c60).
- I have over 70k followers on my Tik Tok page where I post welding contact. Follow me at [adrianaortiz941](https://www.tiktok.com/@adrianaortiz941) (Miss Weld)
